

BURKEONIS

BETRAYAL PROTOCOL

*"Patterns don't lie.
People do.
Including you."*

Betrayal isn't a feeling. It's a fact pattern.
Look at the pattern before you look at the pain.

BEGIN

I

WHAT ACTUALLY HAPPENED?

*What did they actually do.
Not what it meant to you.*

II

WHAT BECAME “TRUE” IN YOUR HEAD

*before it ever became true in reality?
About their loyalty. About what silence meant. About being safe.*

WHAT EMOTION TOOK CONTROL

before your logic caught up?

Name it.

Don't perform it.

IV

FORGET THE NAMES.

Where have you lived this exact scene before?

Different name.

Same warning signs you talked yourself out of.

*If you keep being surprised by the same kind of person,
the pattern was never them.*

It was who you keep letting close.

V

WHERE'S THE CONTRADICTION?

Finish these honestly.

I trusted them because _____

Yet I already knew _____

Because part of me still believes _____

VI

WHAT IS ACTUALLY MINE?

*Not their betrayal.
Your choices around it.*

Ownership isn't blame. Ownership is control.

VII

WHAT CHOICE EXISTS NOW?

If nothing changes, exactly like this —
what happens next?

What decision still belongs to you — even now?

VIII

TODAY'S DECISION

Not tomorrow. Not eventually. Today.

One conversation. One boundary. One decision.

**THE MIRROR NEVER CHANGES YOU.
YOUR NEXT DECISION DOES.**
