06 EVIDENCE VS. STORY

WHAT IS FACT, WHAT IS FEAR?

Facts and feelings have gotten tangled. Pull them apart.

What actually happened, in plain, provable terms?

The facts are...

What story have you built on top of the facts – the one about what it means about you, or what you could have prevented?

The story I've been telling myself is...

07 BODY SCAN

WHERE DOES THIS LIVE IN YOU?

Grief doesn't stay in your head. Find where it sits.

Where in your body do you feel this loss right now?

It sits in my...

What happens in your body in the moments it surfaces without warning?

My body does...

08 MIRROR CHECK + FUTURE ECHO

WHO ARE YOU NOW?

Check the mirror. Then check ahead.

Who are you now that you weren't before this happened?

The truth is...

KEEP MOVING WITHOUT LEAVING THEM BEHIND

SAY IT NOW

THE CONVERSATION YOU STILL HAVE TIME FOR

This work turns outward. Not everyone you owe honesty to is gone.
No last words only happens to the people who wait.

01

WHO THIS IS FOR

WHO HAVEN'T YOU SAID IT TO?

Someone is still here. Name them.

Who is still alive that you've been putting this off with?

The person is...

02 THE UNSAID THING WHAT ARE YOU WAITING FOR?

Say the thing plainly. Then look at the excuse.

What do you need them to know, that you haven't said?

I need to tell them...

What are you actually afraid will happen if you say it?

I'm avoiding this because...

03 THE DEADLINE WHEN WILL YOU SAY IT?

No last words only happens to the people who wait.

Pick a real date, not "someday."

I will say this by...
